

## **DP World Mundra partners with the TAI Foundation to open first multi-specialty hospital in the taluka**

**Mundra, India, October 23, 2016:** DP World, in association with the TAI Foundation in Mundra, has launched a state-of-the-art medical facility for the residents of the taluka.

The Mundra Institute of Medical Science is the first specialty hospital hosting the first blood bank in Mundra. It is equipped with advanced services and technologies such as digital x-rays, oncological surgery, chemotherapy and laser stone removal, and will enable access to orthopaedic surgery, neurosurgery and dental treatment, informed a release.

Said Mr Anil Singh, Senior Vice-President and Managing Director, DP World Subcontinent, "We aim to add value and to build a legacy with every project we undertake. The Mundra Institute of Medical Science is equipped to provide high quality medical services, transforming the healthcare system in Mundra. The services will not only benefit the residents of Mundra but of the Kutch district at large."
